MARY ROSE 500 APPEAL

# CREW CUTS

NEWSLETTER

## HELP GIVE OUR DOG A HOME!

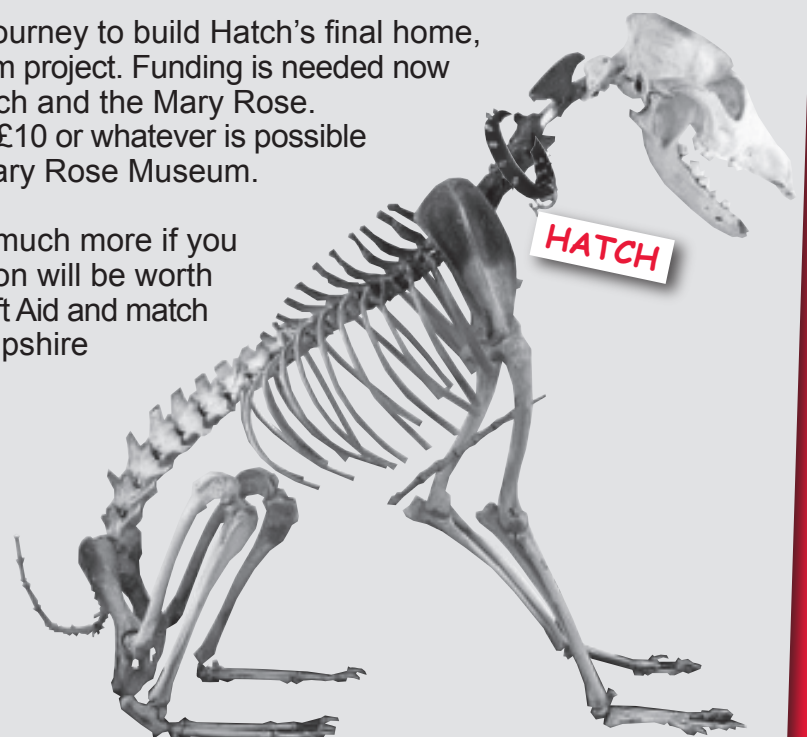

Her name is **HATCH** and she is the only female crew member on the Mary Rose. She may have been the carpenter's pet as she was found near the doorway of his cabin. Of course she would also have had to earn her keep, probably as the Ship's rat-catcher. Thanks to our recent visit to DFS Crufts, dog experts have suggested she is the ancestor of the Manchester Terrier – we do know that she is an early breed of terrier.

The almost complete skeleton of a small dog aged 18 months – 2 years, was recovered near the doorway of the carpenter's cabin. This had a sliding door; perhaps she was trapped here as the Mary Rose heeled over and sank in 1545.

The Mary Rose 500 Appeal is on a journey to build Hatch's final home, the ambitious new Mary Rose Museum project. Funding is needed now to help secure both the future of Hatch and the Mary Rose. Please support us by giving £2, £5 or £10 or whatever is possible to help build her home in the new Mary Rose Museum.

Remember - your donation is worth much more if you Gift Aid it. For example a £10 donation will be worth £22.80 to our Appeal thanks to both Gift Aid and match funding toward the project from Hampshire County Council.

## MEET THE NEW CREW FUNDRAISERS

**Well done** to new crew fundraisers at Portsmouth Grammar School who have raised £1,150 for the 500 Appeal.

**Samantha Gingell** and **Simon Halstead** organised a non-school uniform day and cake sale for senior pupils at the School. Sam and Simon have now launched the Mary Rose Treasure Trail to the Junior school to raise even more money.

Fiona Harvey, Appeals Fundraiser said; *"What an achievement! My sincere thanks to all the pupils, parents and staff at Portsmouth Grammar School for their support of our Appeal. In particular, Simon and Sam should feel very proud of themselves having organised such a successful fundraising event"*.

**Ian Dawes** from **Boatshed Port Solent** said: "We are going to use our world beating website and Boatshed Famous to help the 500 Appeal. The power of the web is awesome, and the generosity of the boating community is legendary - so we are going to harness this power to bring the appeal to the inboxes of our huge database of boat owners, boat buyers and industry professionals. With the kind permission of **Neil Chapman**, MD of Boatshed.com Ian is going to produce a "listing" for the ship, with up to 70 photographs from stem to stem, a full specification, and of course, our unique Brokers Comments. Visitors to the site will be able to browse the ship's vital statistics as if she were actually on the

market, and study up to 70 photographs. There will be plenty of messages asking visitors to log on to the Just giving website and make a donation!"

### MEET THE TEAM

Appeal ambassador **Tom Spearing** from Hereford.

Tom joined the Appeal team last year. He graduated from the University of Bristol in 2009 with a degree in Ancient History and Archaeology. His wish is to follow a career in marine archaeology, particularly focusing on marine conservation and cultural heritage. Great effort from Tom in helping raise awareness about the 500 Appeal in Hereford and surrounding area.

Fundraising assistant **Sarah Coughtrie** has been on a two month work placement, thanks to sponsorship by Vodaphone World of Difference programme. Sarah has been busy with leaflet drops, sourcing raffle prizes and helping out at the 500 Appeal stand at DFS Crufts. Well done Sarah and she has helped raised over £2000 for the 500 Appeal.
